

Join the excitement and make history by participating in the first-annual **AMGEN TOUR OF CALIFORNIA WOMEN'S CRITERIUM**. Held in conjunction with Stage 1 of the race on Monday, February 18, the AToC Women's Criterium will bring the excitement of women's criterium racing in the hours before the men's finish in downtown Santa Rosa. Using portions of the men's finish circuit - including the finish area - the newest addition to the National Racing Calendar promises to be an exciting event for racers and fans alike.
