

Join the excitement and participate in the **Amgen Tour of California Women's Criterium**. Held in conjunction with Stage 1 of the race on Sunday, February 15th, the AToC Women's Criterium will bring the excitement of women's criterium racing in the hours before the men's finish in downtown Santa Rosa. Using portions of the men's finish circuit — including the finish area — this race promises to be an exciting event for racers and fans alike.
